# Low Incidence Network

**Dates:** September 24, 2018
December 13, 2018
February 19, 2019
May 6, 2019

**Time:** 8:30 am—11:30 am
(registration at 8:30 am)

**Location:** ESC of Northeast Ohio
Essex Place
6393 Oak Tree Blvd.
Independence, OH 44131

This network is for anyone who is involved with the instruction of students with significant cognitive disabilities/low incidence (SCD/LI) disabilities. The network meets quarterly to collaborate on best practices for the instruction of students with SCD/LI and supports for teachers and administrators. Each meeting will address a specific topic that is timely and relevant to the group. Topics may include literacy, assistive technology, communication, transition etc. We will collaborate on ideas and supports and often create and review documents and provide feedback throughout the process. We will discuss instruction and assessment practices for students with SCD/LI in light of the revised Ohio Learning Standards-Extended. Topics will vary from session to session but the overall agenda for each session will include:

- **Discussing** topics, products, processes and research
- **Sharing** best practices among participants
- **Coaching** leaders to build their capacity to move the work forward
- **Strengthening** implementation processes

Professional Development Contact Hours:

**3.0 each session**
